

### Mid Continent Cabinetry has a Variety of Customizable Cabinets for Your Kitchen . . . .

Mid Continent's cabinets are customizable in a variety of different ways. They have a number of different face, door, and finish options to select from so you can start your project with a solid cabinet foundation. Mid Continent kitchen cabinetry can be further customized through their storage and accessories options. They have over 2,500 combinations of styles, finishes, and wood species, as well as the ability to add and subtract pieces and accessories.

*Come and visit our Probuild Kitchen showrooms for more information and ideas for your next kitchen or bathroom projects!*
